Cub Leader(s) Needed Urgently

Dear All

I am writing to seek your help in urgently finding us a new Cub Leader (or 2!).

Ian and Anneli have done a fantastic job as Leader and Assistant Leader for several years now and along with their enthusiastic and committed team have developed our Cub Pack into one of the best in the area. However both Ian and Anneli have given us notice that they will be stepping down from their Leader positions at the end of next term in July 2011.

Ian and Anneli will still be around to help us with various events and provide a good handover but work and family commitments make it difficult for them to continue in their present roles. They are also now pursuing archery qualifications with a view to improving the archery opportunities that we can offer our young members.

The rest of the cub leadership team are happy to continue assisting as now. It is also with great pleasure that I have received applications from our 2 young leaders, Graham Knight and James McCann to become Assistant Leaders as they reach their 18th Birthdays soon.

However we do need 1 or 2 more adults to volunteer as Cub Leaders (it is a job that can be shared) in order to guarantee the survival and the continued development of our cub pack. We have already asked widely amongst other leaders both at our group and at nearby groups but have not yet found a volunteer.

Please do give this some serious thought! It is a very rewarding way of volunteering and is lots of fun. We can and do provide all the training you need. It can also look good on your CV too!

If you are able to help us or know somebody who can then please do get in touch with me (contact details above) so that we can discuss further.

John Evans (Group Scout Leader)
